Audience Etiquette & Housekeeping

Thank you for joining us. We wish all competitors the very best and hope you enjoy a wonderful weekend of music and performance.

Audience Etiquette

- Please remain seated during performances - Wait for the item to finish and people to start clapping before leaving the auditorium
- ensure mobile phones and smart devices are silenced.
- Please keep quiet during a performance. It is very off-putting and unfair to the people on stages that have worked hard to get there.
- Please leave the theatre how you found it. Take away all rubbish, costumes and any other items that you brought in.
- Please remember that you might be sitting behind someone's grandmother. Only speak about other performers in a way that you would like to be spoken about.
- No food or drink is permitted in the main auditorium, with the exception of personal water bottles.
- Please supervise young children at all times and ensure they do not disrupt performances.
