\* A professional is someone whose primary employment is being paid to perform or work in the performing arts. For the present purposes, being a student constitutes "primary employment" and therefore is not seen as a Professional. For the Student who receives payment for participation, either teaching or performing, this should not impose professional status on a person if it is by way only of an occasional bonus or benefit rather than their principal means of earning a livelihood.

\*\* As some Societies split their dance genres and run large Competitions with different Judges and/or at different times of the year, they will be able to nominate two or more Troupes from each Competition to represent their Society.

\*\* If a Society has 10 or more Troupes that enter and compete for a Troupe Nomination, then they are entitled to offer an additional Nomination. This applies to every multiple of 10 Troupes that enter and compete for a Troupe Nomination. Therefore –

1-9 Troupes = 2 Nominations

10 Troupes = 1 additional Nomination

20 Troupes = 2 additional Nominations

30 Troupes = 3 additional Nominations
